

DopeOnigiri

DopeOnigiri(DJ/Producer)

He started his DJ career in Kobe in 2012 and won the Japan Champion at Red Bull University 3Style in 2015.

After graduating from university, he moved his base of activities to Tokyo and has performed at many major clubs in Japan, mainly at 1OAK Tokyo, Club Harlem, and A-life.

He was a member of DJcity Japan and has received offers to perform at nightclubs in the U.S., Europe, China, and other countries through his interaction with many overseas DJs.

In addition to DJing, he is also active as a producer, recording the hit song "ASOBI" with Playsson and Candee, which has received over 10 million views overall.

Currently based in Malaysia, he works as a sound producer for AMATERAS, and in Japan, he has worked as a back-up DJ for the bilingual rapper MIYACHI, and as a back-up DJ for Candee.
